

Roger Grace Memorial Fund  
**Dr Roger Grace Memorial Award  
for Marine Conservation**  
**Deadline extended to 7th April**

This award is for early career recipients for their contributions to New Zealand marine conservation and communication; to support and give credence to their future work.

**The Committee is looking for applicants/nominations that:**

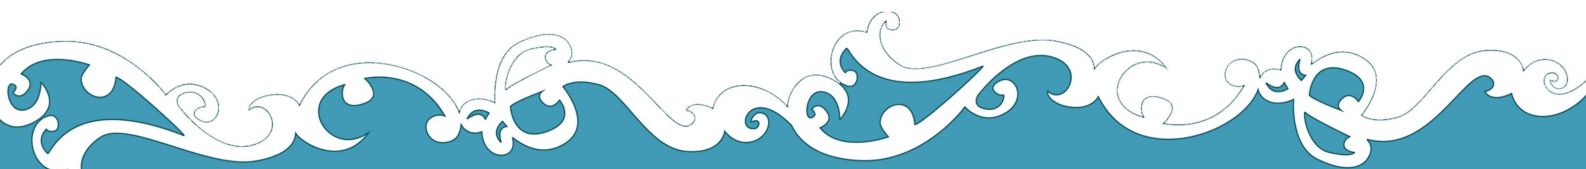

-  Are passionate about and committed to a career in marine conservation
-  Are undertaking a project for the benefit of marine environments
-  Are younger than 45 years of age
-  Are currently residing in Aotearoa

**Submission timeline**

-  Submissions open: 15th February 2024
-  Submissions close: 7th April 2024
-  Successful applicant notified: March 25th
-  Award presentation: April 20th 2024

Applicants/ nominators are asked to detail their/ their nominees contributions to marine conservation and the development of public awareness of marine conservation in Aotearoa. Applicants/ nominators are also asked to explain any current projects they are working on and how \$1000 could go towards their project or further study. In addition to a potential \$1000 contribution prize, the recipient will receive a Wettle wetsuit, free registration to the Mountains to Sea Conservation Trust Annual Wānanga (travel costs can be funded for recipient), a trip to the Poor Knights Islands with Dive! Tutukaka and more. T&C's apply, see application form for more details.
